# CITY WINERY WINES ON TAP

Straight from the barrels in our cellar. No bottles, no labels, no corks. Rather than put wine into a bottle when it is ready, we put it into stainless steel kegs. Preserved after every pour with a thin layer of argon gas, keeping every glass fresh, without waste. We take great pride in sourcing our grapes from some of the finest vineyards in the world and want to give you a world-class, expressive taste in every glass. Cheers.

– Michael Dorf, Founder & CEO  
– David Lecomte, Chief Winemaker  
– Robert Kowal, Winemaker

City Winery tap wines are  
crafted in small batches and  
will rotate often.

### ORANGE WINE

The term "orange" describes wines made with white grapes whose juice is left in contact with its skins. This gives the wine a tinge of coppery pink/orange color, which is deeper than most rosés. Orange wines are rare, always handcrafted, and often expensive. Be edgy. Drink like a hipster-sommelier wine nerd.
